Product Features:

The Treasury Bank Rate Linked – Monthly Bonus Call Account is a deposit account with the key features detailed below.

Key Features:

- Accounts only available in Sterling (GBP).
- Interest is calculated daily by reference to the Bank of England ("BoE") Bank Rate.
- We will agree with you the Basic Interest Rate that will apply to your Account at account opening. This rate will then track the BoE Bank Rate, which is subject to change. Any changes to this rate of interest resulting from changes in the BoE Bank Rate will be applied to your Account on the Working Day the new Interest Rate becomes effective.
- Interest applied at the Basic Interest Rate is calculated daily based on the Account Balance and is paid into your Account daily (unless otherwise agreed).
- We will also agree with you the Bonus Interest Rate that will apply to your Account at account opening, which is subject to change. This rate will not track the BoE Bank Rate. The Bonus Interest Rate will apply to your Account for every calendar month that you activate the Bonus Payment Trigger.
- For any calendar month where you meet the Bonus Payment Trigger, We will apply the Bonus Interest Rate to the daily balance of your Account over that calendar month. Any bonus interest will be applied to your Account on the first working day of the following month.
- Lloyds Bank may change the Basic Interest Rate and Bonus Interest Rate independently of any changes to the BoE Bank Rate. Where this change is not to your advantage, we will provide you notice one Working Day prior to the new Basic Interest Rate or Bonus Interest Rate being applied to your Account. Where this change is to your advantage, the new Basic Interest Rate or Bonus Interest Rate may be applied to your Account immediately without notice.
- To close or withdraw funds from the Account, you must provide Us a Withdrawal Instruction.

Benefits:

- The Basic Interest Rate you receive on your Account Balance will increase if the BoE Bank Rate increases.
- You are able to access your funds on the same Working Day, providing a Withdrawal Instruction is received by Us by 5pm London time, subject to the Minimum Withdrawal Amount.
- A Bonus Interest Rate will apply to your Account where you meet the Bonus Payment Trigger.

Risks:

- The Basic Interest Rate you receive on your Account Balance will decrease if the BoE Bank Rate decreases.
