Corporate Charge Card Euro Account conditions of use

We have tried to make these Conditions of Use easier to read and understand by adding headings to the various sections. These headings have been inserted for convenience only and do not affect the legal construction or interpretation of these Conditions of Use.

Before signing your Card you must read these Conditions of Use and when using your Card follow these Conditions of Use, together with any conditions of use notified to you by your Business in your terms of employment or contract for services or otherwise in any case related to use of the Card. If you do not agree to comply with these Conditions of Use, you must destroy the Card (cut it into two through the chip) and you may be required to return the Card to us.

3 The Cardholder Account

3.1 We will open and/or continue a Cardholder Account in respect of the Card issued to you on behalf of the Business which can only be used for such purposes as are authorised by your Business. The Cardholder Account may only be used for authorised business use as defined between yourself and the Business. You will be acting as an agent of the Business in connection with the receipt of the Services being provided by the Bank to the Business. If cash withdrawals are permitted by us, they may only be used for purposes authorised by us and your Business.

3.2 We will debit the Cardholder Account with all Card Transactions made using your Card and will credit the Cardholder Account with all payments made by the Business.

- 3.3 The Business may in some circumstances be entitled to give authorised third parties access to information about the Business Account. This may include details of Card Transactions.
- 3.4 A Cardholder Limit, a daily Card Transactions limit and an overall Card Transaction limit will be established from time to time and will be notified to you by your Business. You may also be notified of certain other restrictions and controls put in place by us or your Business from time to time, including a restriction on cash withdrawals.
- 3.5 To activate the Card, on receipt of the Card, you must follow the instructions on the sticker attached to the Card, or telephone 0800 096 4496 (abroad dial +44 1908 544056), in order to complete the necessary security checks.
- 4 The Card**
- 4.1 Subject to condition 2, on receipt of your Card you must sign it immediately.
- 4.2 Your Card remains our property at all times and we can recall or replace or change the Card Number or Cardholder Account at any time. If either we or your Business ask for your Card back, it must be returned immediately cut in two through the chip. A person acting for us or your Business may recover or retain your Card.
- 4.3 Your Card is only valid for the period shown on it and must not be used outside this period. When your Card expires it must be destroyed by cutting it in two through the chip and you may be required to return the Card to us.
- 4.4 Either we or your Business may cancel or suspend use of your Card at any time without prior notice. Your Card and/or Card Number must not be used once your Card has been cancelled or suspended.
- 4.5 The Business is liable to us for Card Transactions and Charges incurred on your Cardholder Account whether or not such Card Transactions are incurred in compliance with these Conditions of Use.
- 4.6 Your Card and Card Number must not be used for any illegal purpose.
- 4.7 Your Card must only be used with Suppliers who are in the merchant category codes specified by your Business.
- 5 The PIN, security devices and Payment Instruments**
- 5.1 If requested by your Business to do so, we may permit your Card to be used by you to obtain cash advances. All such cash advances will be debited to your Cardholder Account.
- 5.2 Unless it has been agreed between the Bank and the Business that your needs require the issuing of a signature Card, you will be issued with a PIN for use with your Card.
- 5.3 The PIN will allow you to use PIN Management Services, make cash withdrawals from ATMs or at branch counters (where the relevant facility has been allowed by your Business) and use your Card to execute Card Transactions. This is a security measure, designed to protect against unauthorised access to each Cardholder Account. The PIN will only be known by each individual Cardholder and must not be revealed to anyone else or be known by any member of Bank staff. When you receive your PIN you can change it and select a PIN of your own choice through any of our ATMs. As a fraud prevention measure we restrict use of some numbers as PINs which are easily guessed.
- 5.4 You must use any security devices and Payment Instruments provided by us in accordance with any instructions that we give to you from time to time and you must take all reasonable steps to keep them safe. You must:
- 5.4.1 not give or disclose details relating to any Cardholder Account to anyone else or allow anyone else to use them;
- 5.4.2 not give or disclose details relating to any security devices or Payment Instruments to anyone else or allow anyone else to use them;
- 5.4.3 not choose a PIN or any security details that are easy for someone else to guess;
- 5.4.4 store all information relating to any Cards and any Cardholder Accounts safely and dispose of any information securely and permanently;
- 5.4.5 inform us as soon as possible if you do not receive a Cardholder Statement or any other financial information that you are expecting to receive from us; and
- 5.4.6 ensure that you protect your PIN by memorising it and destroying the written notification of the PIN as soon as possible after receiving it and not writing your PIN or any security details on (or keeping them with) a Card or other financial documents. If you do write your PIN or any security details down, you must not write them in a recognisable way.
- 6 Card Transactions**
- 6.1 Your Card or Card Number can be used to make or authorise payments to Suppliers who accept the Card (for example, a payment for goods or services supplied to you). The Card and PIN can be used in ATMs which accept the Card, when they are operating, to access PIN Management Services and to withdraw cash and to purchase currency or travellers' cheques from a travel bureau or other outlet providing similar services (only available where the cash advance facility is permitted by the Business according to condition 5.1.)
- 6.2 The authorisation of a Card Transaction can include authorising any single Card Transaction, a series of recurring Card Transactions or pre-authorising a future Card Transaction.
- 6.3 If you pre-authorise a future Card Transaction and the amount of the transaction is not known, we may reserve funds in the Cardholder Account for your Card if you consent to an exact amount of funds to be reserved. Reserved funds will be released when we are made aware of the amount of the Card Transaction.
- 6.4 We may refuse a Card Transaction. Reasons for this may include where:
- 6.4.1 a Card Transaction might take you over any Cardholder Limit or other limit attached to the Business Account;
- 6.4.2 the terms of the account held by the beneficiary of the payment prevent completion of the Card Transaction; or
- 6.4.3 the Card Transaction seems unusual when considering the way that the relevant Cardholder Account is normally used or we reasonably believe a Card Transaction may be fraudulent. The Bank will not be responsible for any loss if the Bank does not allow a Card Transaction to be made. If Authorisation is given, that Card Transaction will immediately reduce the total amount that can be drawn within the relevant Cardholder Limit.
- 6.5 A Card Transaction will be regarded as authorised by you where you or any other person authorise(s) the Card Transaction at the point of sale by following the instructions provided by the Supplier to authorise the Card Transaction, which includes:
- 6.5.1 entering your PIN or providing any other security code;
- 6.5.2 providing the CVV code to a Supplier;
- 6.5.3 signing a sales voucher;
- 6.5.4 waving or swiping the Card over a card reader;
- 6.5.5 inserting the Card and entering your PIN to request a cash withdrawal at an ATM (where this facility has been allowed by the Business); or
- 6.5.6 making a request for a cash withdrawal at any bank counter or making a request to purchase currency or travellers' cheques from a travel bureau or other outlet providing similar services (where the cash advance facility has been allowed by the Business).
- 6.6 Once a Card Transaction is regarded as authorised by you in accordance with condition 6.5, such authorisation can only be withdrawn where you have instructed us to:
- 6.6.1 carry out a Card Transaction on a future date; or
- 6.6.2 carry out a series of recurring Card Transactions, in which case, a Card Transaction can be cancelled by you by telling the Supplier, the other party that you have made the arrangement with or us, provided that you give notice no later than the end of the Business Day on the day before the relevant Card Transaction is due to be made.
- 6.7 By cancelling a recurring transaction arrangement you or your Business will have withdrawn authorisation for such future transactions. We may ask you for clarification of which Card Transaction you are stopping and/or, if appropriate, request written confirmation that authorisation to a recurring transaction arrangement has been withdrawn. We will treat any future Card Transactions made pursuant to that arrangement as unauthorised. You will need to contact the person to whom you make a regular payment if you want to cancel your arrangement with them, as we cannot do that for you. You will also need to tell anyone to whom you make regular payments if your Cardholder Account is closed or your Card Number changes, as otherwise they may not be able to collect your payments. If you do miss a payment for this reason, we are not responsible for any loss or damage that you may suffer as a result.
- 6.8 If, on review of your Cardholder Statement, an item appears of which you have no record, you should contact Lloyds Bank plc, by telephone on 0800 096 4496 (if abroad +44 1908 544059) without undue delay and in any case within 13 months of the transaction date.

- 6.9 All Non Currency Card Transactions will be converted to the Currency and debited to the Cardholder Account. All Non Currency Card Transactions will be converted to the Currency at the Payment Scheme Exchange Rate the day that the Non Currency Card Transaction is debited to the Cardholder Account which may be after the day you carried out the Card Transaction. Any cash advances will be subject to a cash advance fee and if the non-Currency cash is withdrawn or purchased it will also be subject to the Non Currency Card Transaction fee. The Non Currency Card Transaction fee as shown on the Website (which may be amended from time to time) is added to the converted Currency amount and this fee and the converted Currency amount will be shown on your Cardholder Statement. We will not be responsible where a currency conversion service is applied by a Supplier and the Supplier does not disclose any charges or the exchange rate to be used at the time of the transaction.
- 6.10 Where cash withdrawals are permitted, if your Card is used to withdraw cash from an ATM there may be a handling charge and we will deduct from your Cardholder Account the amount dispensed (if applicable, converted in accordance with condition 6.9 above), and any handling charges payable.
