3.1 Following signature of your Business Application by the Bank and the Business, the setting up of the Business Account, Payment Account, Debit Authority, Scheme Limit and all other administrative arrangements, subject to the clauses below, the Bank will provide the Business with its BTS Details.

3.2 A Nominated Travel Administrator may use the BTS Details provided by the Business to purchase travel and entertainment goods and/or services through the Supplier only. Card Transaction requests may be made by Nominated Travel Administrators via mail, online or telephone, as detailed by the Supplier.

3.3 The Business should distribute the Nominated Travel Administrator Applications to those employees, contractors or agents that it wishes to have access to the Services on its behalf.

3.4 The Business will procure that the Nominated Travel Administrator sends these on to the Bank as soon as reasonably practicable.

3.5 The Business will ensure that:

3.5.1 each Nominated Travel Administrator is informed of and complies with the Conditions of Use for use of the BTS Details at all times;

3.5.2 any change to a Nominated Travel Administrator will be notified in writing to the Bank by an authorised signatory of the Business;

3.5.3 each Nominated Travel Administrator is a fit and proper person at all times;

3.5.4 each Nominated Travel Administrator follows such security and other procedures as the Bank stipulates for use of the BTS Details at all times (including, without limitation, those set out in clause 3.7); and

3.5.5 no Nominated Travel Administrator is under any liability to make any payment and no representation or statement is made by the Business or any of its employees, contractors or agents (including Nominated Travel Administrator) which purports to impose liability on any Nominated Travel Administrator for the making of any such payment.

3.7.5 ensure that any PIN is protected by memorising it, destroying the written notification of the PIN as soon as possible after receiving it and not writing it or any security details on (or keeping them with) the BTS Details or other financial documents or writing them in a recognisable way.

3.8 If any Nominated Travel Administrator leaves the employment of the Business and/or ceases to be an employee, contractor or agent of the Business, or on the death of a Nominated Travel Administrator:

3.8.1 the Business must inform the Bank (on the form the Bank provides or through OCMS) within seven Business Days of this happening;

3.8.3 the Business will remain liable to the Bank for all Card Transactions and Charges payable until payment is made in full of the amount outstanding including without limitation any new Card Transaction(s) made before the BTS Details are destroyed; and

3.8.4 the Bank may cancel the existing BTS details and issue new BTS Details to the Business.

3.9 The BTS Details may only be used within the Nominated Travel Administrator Limit. In deciding whether or not this has been exceeded, the Bank will take into consideration the amount of any Card Transaction not yet debited and any Authorisation the Bank has given in respect of prospective Card Transactions.

3.10 All Non-Currency Card Transactions will be converted to the Currency and debited to the Business Account. All Non Currency Card Transactions will be converted to the Currency at the Payment Scheme Exchange Rate which is applicable on the day the Card Transaction is debited to the Business Account which may be after the day the Card Transaction is carried out. Any cash advances will be subject to a cash advance fee and if non-sterling cash is withdrawn or purchased it will also be subject to the Non-Currency Card Transaction fee. The Non Currency Card Transaction fee of 2.75% (which may be amended from time to time in accordance with clause 15) is added to the converted currency amount and this fee and the converted currency amount will be shown on the Statement.

- 3.11 The Business undertakes to ensure that the BTS Details are not used in a manner prohibited by law and, in the case of a Business which is a body corporate, the provisions of Part 10 Section 197 of the Companies Act 2006.
- 3.12 A Nominated Travel Administrator may not apply for and authorise BTS Details. In the event that there is only one Nominated Travel Administrator appointed, a new Nominated Travel Administrator should be appointed.
- 3.13 The Business (via a Nominated Travel Administrator) may request an increase in the Scheme Limit by contacting their relationship manager and completing the form provided by the Bank. All requests will be subject to the Bank's usual credit review and approval process.
- 3.14 When the Business makes a request under clause 3.13, the Business will advise the Bank of any change it proposes to a Nominated Travel Administrator Limit which the Bank, subject to clause 3.15, will confirm and put into effect. The Business will advise the Nominated Travel Administrator of the change in the Nominated Travel Administrator Limit, together with the date notified by the Bank of when the change will take effect.
- 3.15 A Nominated Travel Administrator Limit cannot be increased by the Business if it would result in the Nominated Travel Administrator Limit exceeding the Scheme Limit.
- 3.16 The Business will ensure that the BTS Details must not be used for any illegal purpose or outside the expiry period of the BTS Details or if the Bank has cancelled or suspended the BTS Details.
- 3.17 The Bank may from time to time issue Nominated Travel Administrators with additional security codes or require them to comply with additional security measures for the Authorisation of payments made via the Supplier's websites. Where the Bank does so, the Bank will send details to the Nominated Travel Administrators together with any applicable additional terms and conditions. The Business will ensure that each Nominated Travel Administrator uses any additional security codes or complies with any additional security measures issued or required by the Bank under this clause in accordance with any applicable additional terms and conditions.
- 3.18 We will treat a payment instruction requesting that we execute a payment to have been received by us at the time that it is actually received by us, unless we are instructed to carry out a Card Transaction on a future date or a series of recurring Card Transactions on future dates.
- 3.19 If we are instructed to carry out a Card Transaction on a future date or a series of recurring Card Transactions on future dates, we will treat the date that we are required to carry out the Card Transaction as the date that we receive the payment instruction (this is known as the date of deemed receipt).
- 3.20 If we receive (or are deemed to receive) any payment instruction after the cut-off time on any Business Day or on a day which is not a Business Day, we will treat that payment instruction to have been received by us on the next Business Day. You can find our payment cut-off times on our Website.
- 3.21 Once the BTS Details have been provided to you, each time a request for travel, entertainment, goods and/or services is made on the Supplier's travel booking system we will regard that Card Transaction as being authorised by the Business.
- 3.22 Once a Card Transaction is regarded as authorised by the Business and a Nominated Travel Administrator in accordance with clause 3.21, such authorisation can only be withdrawn where we have been instructed to:
- 3.22.1 carry out a Card Transaction on a future date; or
 - 3.22.2 carry out a series of recurring Card Transactions, in which case, a Card Transaction can be cancelled by the Business or the Nominated Travel Administrator telling the Supplier, the other party that the Nominated Travel Administrator has made the arrangement with or us, provided that the Business or the Nominated Travel Administrator gives notice no later than the end of the Business Day on the day before the relevant Card Transaction is due to be made.
- 3.23 If you and/or a Nominated Travel Administrator withdraws authorisation in relation to a series of recurring Card Transactions, we will treat this as you and/or the Nominated Travel Administrator (as applicable) withdrawing authorisation for all future Card Transactions in the series, unless you and/or the Nominated Travel Administrator notify us otherwise.
- 3.24 Once the Business or the Nominated Travel Administrator has notified us that they withdraw authorisation for a Card Transaction, we will not carry out the relevant Card Transaction(s). However, it is your responsibility to notify the Supplier and we will not be responsible for any loss or damage that you may suffer if you fail to do so.
- 3.25 We may ask for clarification of which Card Transaction the Business or the Nominated Travel Administrator is stopping and/or, if appropriate, request written confirmation that authorisation for a recurring transaction arrangement has been withdrawn. We will treat any future Card Transactions made pursuant to that arrangement as unauthorised. You will also need to tell the Supplier if your account is closed or the BTS Details change otherwise they may not be able to collect your payments. If you do miss a payment for this reason, we are not liable to you for any loss or damage you suffer as a result.
- 3.26 A Supplier may contact the Bank or an agent acting for the Bank for Authorisation in respect of a Card Transaction that a Nominated Travel Administrator wants to make. Therefore there may be a delay before the Supplier processes a Card Transaction, and the Nominated Travel Administrator might not always be able to make a Card Transaction straight away, or at all.
- 3.27 If Authorisation is given, that Card Transaction will immediately reduce the total amount that can be drawn within the relevant Nominated Travel Administrator Limit and the Scheme Limit. You or a Nominated Travel Administrator will usually find out that we have refused to authorise a Card Transaction if a Supplier asks for payment by another method or the ATM will not dispense cash. However, a Supplier may be unable to immediately give notice that a Card Transaction has been refused. We are not responsible for any loss if a Supplier refuses to accept a Card or we refuse to authorise a Card Transaction or delay in doing so.
- 3.28 The Authorisation of a Card Transaction referred to in clause 3.27 can include authorising any single Card Transaction, a series of recurring Card Transactions or pre-authorising a future Card Transaction of a certain or uncertain amount.
- 3.29 If we are authorised in advance to make a future Card Transaction and the amount of the transaction is not known, we may reserve funds in the Business Account if you or a Nominated Travel Administrator consent to an exact amount of funds to be reserved. Reserved funds will be released when we are made aware of the amount of the Card Transaction.
- 3.30 The Bank has the right to decline to process or delay processing any Card Transaction, and the Bank will not have any responsibility to you for any loss or damage that you may suffer as a result, if:
- 3.30.1 you are in breach of the Agreement;
 - 3.30.2 the Card Transaction would exceed the relevant Nominated Travel Administrator Limit or the Scheme Limit;
 - 3.30.3 the terms of the account held by the beneficiary of the payment prevent completion of the Card Transaction;
 - 3.30.4 the Card Transaction seems unusual when considering the way that the Business Account is normally used or we reasonably believe a Card Transaction may be fraudulent;
 - 3.30.5 by processing the Card Transaction, we would infringe any law, regulation or the rules of the payment system under which the Business Account is issued or any industry good practice;
 - 3.30.6 not acting on the instruction to process the Card Transaction or delaying to act on the instruction would assist us with complying with applicable money laundering laws or regulations;
 - 3.30.7 we consider that the instruction to process the Card Transaction is inaccurate or requires further explanation;
 - 3.30.8 by acting upon the instruction to process the Card Transaction, it would breach the Agreement or any operating limits relating to the Agreement;
 - 3.30.9 the payment instructions relate to a country from or to which we may decide not to process payments (for example, a country in relation to which sanctions are in place); and/or
 - 3.30.10 any of the circumstances in clause 13.2.2 occur.
- 3.31 If we have declined to process a Card Transaction, we will provide and/or make available to you on request details of the reason(s) for the refusal as soon as is practicable, unless the law prevents us from doing so or it would undermine our security measures. We will also include details of how to correct any errors which led to our refusal, if appropriate. To request this information, please contact our customer services centre by telephone on 0800 096 4496 (if abroad +44 1908 544059), this customer service helpline is available 24 hours a day seven days a week for assistance if your Card Transaction has been declined.

4 Third Party Providers (TPPs)

- 4.1 Your Nominated Travel Administrator will be able to give consent to a TPP to access the information on your Business Account for you, as long as the TPP is open and transparent about its identity and acts in accordance with relevant regulatory requirements. You must be registered for OCMS to do this. We will treat any instruction from a TPP as if it were from you.
- 4.2 We may refuse to allow a TPP to access your account information if we are concerned about fraudulent or unauthorised access by that TPP. Before we do this, we will tell you and explain our reasons for doing so, unless it is not reasonably practicable, in which case we will tell you immediately afterwards. In either case, we will tell you in the way which we consider most appropriate in the circumstances. We won't tell you where doing so would compromise our reasonable security measures or otherwise be unlawful.
- 4.3 We may make available to a TPP a specific means of accessing your account. If we do, and it tries to access your account by a different way, we may refuse to allow that access.
- 4.4 If you use a third party card issuer they may be able to request confirmation from us that you have the necessary credit available on your Business Account for them to approve a Card Transaction. We will only respond to a request if you have given us explicit consent to do so.

15 Changes to these terms and conditions

- 15.1 We may make changes to these terms and conditions for any reason. - 15.2 If we intend to make changes to these terms and conditions, we will give you at least two months' written notice before the changes come into effect, unless the changes are required due to a change in relevant legislation or regulations and we are prevented from giving you two months' written notice. In those circumstances, we will give you as much written notice as possible.
- 15.3 We will notify you of changes to these terms and conditions by post, by e-mail, through any online service which you receive from us or in any other way which we have agreed with you. During the period before a change comes into effect, you may reject the change, provided that you notify us of this in writing. In such circumstances, your notice of rejection of the change will be deemed to be a notice that you wish to stop receiving the Services and the Agreement will terminate on the day before the change takes effect. You will not incur any additional charges as a result of choosing this course of action. If you do not notify us before a change comes into effect, we will treat you as if you have accepted the relevant change.
- 15.4 If we add new products or services to the Agreement or add to the ways that you can use the Services (and this does not otherwise change these terms and conditions), this will not be treated as a change and, as a result, we will not be required to give two months' written notice of this to you.

- 16.1.1 the amount of the payment is more than you or the Nominated Travel Administrator could have reasonably expected to pay taking into account the previous spending pattern using the BTS Details and any other circumstances relevant to you the Nominated Travel Administrator or the payee; and

If, through our subsequent investigations, we discover that you were not entitled to a refund, we may debit the refunded amount from the Business Account. We will give you reasonable notice in advance of doing so.
- 17.3 When we are assessing whether a Card Transaction was authorised by you:
- 17.3.1 if you are not a Micro-Enterprise or a Charity, you agree that Regulation 75 of the Payment Services Regulations does not apply to you, therefore it is your responsibility to prove that a payment was not authorised by you or a Nominated Travel Administrator and we can treat the use of the BTS Details as sufficient evidence to show that the payment was authorised by you or a Nominated Travel Administrator or that you acted fraudulently or with intent or gross negligence failed to take any of the actions set out in clauses 18.1.3 or 18.1.4; and
